

## Press release 4, 2015

Gothenburg 2015-04-08

### West Atlantic's first B767 aircraft enters commercial service

On April 7<sup>th</sup>, the Group's first B767 aircraft completed its first commercial flight. The aircraft has been placed on a long term customer agreement.

*"This marks the commercial start of the B767 project, which was initiated over a year ago. During 2015, the organisation has efficiently put all pieces together and we now look forward to future additions to the B767 fleet",* says Gustaf Thureborn, CEO and President.
